F. Award of Contract

35. Award Criteria
- 35.1 Ordinarily, in respect of Package 1/3, the lowest bidder (P1/L1) shall be declared the Selected

Bidder. Thereafter, the bids in respect of Package 2/3 will be taken up for consideration. If, the lowest bidder in Package 2/3 (P2/L1), has not been declared to be the Selected Bidder for Package 1/3, such bidder shall be declared as the Selected Bidder for Package 2/3. If the lowest bidder in Package 2/3 is the Selected Bidder in Package 1/3, then the said bidder will not be declared to be the Selected Bidder for such Package for the time being and the second lowest bidder (P2/L2) will be given an opportunity to match the price of the P2/L1 bidder. If the P2/L2 bidder matches the price of the P2/L1 bidder, within such time as may be fixed by the Corporation, then the P2/L2 bidder will be declared as the Selected Bidder failing which, third lowest bidder (P2/L3) will be given a similar opportunity to match the price of the P2/L1 bidder. Such process shall continue till any qualified bidder matches the price of the P2/L1 bidder. If at the end, no qualified bidder is willing or is available to match the price of the P2/L1 bidder, then the Corporation may at its discretion, call for a fresh tender with respect to the said package or declare the P2/L1 bidder to be Selected Bidder for such package also. Similarly, for Package 3/3, if, the lowest bidder in Package 3/3 (P3/L1), is the Selected Bidder in Package 1/3 or Package 2/3 or both, then the said bidder will not be declared to be the Selected Bidder for such Package for the time being and the second lowest bidder (P3/L2) and/ or the third lowest bidder (P3/L3) will be given an opportunity to match the price of

the P3/L1 bidder. If the P3/L2 bidder (or the P3/L3 bidder) matches the price of the P3/L1 bidder, within such time as may be fixed by the Corporation, then the P3/L2 bidder (or the P3/L3 bidder) will be declared as the Selected Bidder failing which, fourth lowest bidder (P3/L4) will be given a similar opportunity to match the price of the P3/L1 bidder. Such process shall continue till any qualified bidder matches the price of the P3/L1 bidder. If at the end, no qualified bidder is willing or is available to match the price of the P3/L1 bidder, then the Corporation may at its discretion, call for a fresh tender with respect to the said package or declare the P3/L1 bidder to be Selected Bidder for such package also. For packages 2/3 and 3/3, the Corporation may at its discretion, also split the quantity of such package and award the same to the L2, L3 or the other qualified bidders at the L1 price, if the Corporation is of the opinion that having regard to production capacity and other relevant factors, awarding the entire package to any single bidder may lead to such bidder being unable to complete the supply of the bicycles within the scheduled time period. If a bidder is declared as the L1 bidder across two or more packages, the Corporation shall be at liberty to ask such bidder to match the lowest price quoted by such bidder for any package, uniformly across all the packages in which it has been declared as the L1 bidder, for being awarded the contract.

35.2 In the event, the Financial Bids of 2 (two) or more

bidders in a particular package, who are qualified and whose Technical Bids are at par, are the same (the “**tie bidders**”), the Corporation shall at its discretion:

- (a) Either hold an *inter se* auction amongst such tie bidders to quote further lower bids and shall declare such of them who has offered the lowest bid in such auction to be the Selected Bidder. Bidders’ representatives who choose to attend the Financial Bid opening should therefore be duly authorized to participate in such auction. In the event, a tie bidder is not represented on the Financial Bid opening date or the authorized representative of such bidder does not or is unwilling to participate in such auction, the auction would be held amongst the remaining tie bidders and if there be only one remaining tie bidder, the latter will be declared as the Selected Bidder provided that such remaining tie bidder offers a lower bid than that already offered in its Financial Bid. In the event the lowest bidder withdraws or is not declared as the Selected Bidder, the Corporation may invite fresh bids for the package; or
- (b) Split the package between all the L1 bidders at the L1 price in equal quantities; or
- (c) Invite fresh bids, without holding any *inter se* auction amongst such tie bidders or splitting the package in question.

- 35.3 In the event, all the Tie Bidders for a package happen to be Selected Bidder for any earlier package already opened, all such Tie Bidders generally will not be allowed to participate in the spot-auction and the next lowest bidder will be given an opportunity to match the price of the Tie Bidders and the procedure laid down in ITB 35.1 shall be followed.

- 36.2 The Corporation, may in its sole discretion, instead of awarding one contract to the Selected Bidder for a package, award separate contracts to the Selected Bidder respect of each delivery point comprised in a package separately.
- 36.3 Until a formal contract is prepared and executed in respect of each package or each delivery point, as

the case may be, the Notification of Award shall constitute a notification of commencement of supply of bicycles, subject only to the furnishing of a performance security in accordance with the provisions of ITB 38.1, whereupon the Contract shall come into force.
